

OFFICIAL MATCHDAY PROGRAMME

LEEDS UFGA

Issue Ten
vs Route One Rovers
Saturday 22nd November 2025

THE GAFFER

Good afternoon and welcome back to the Welfare Stadium for today's NCEL Division One fixture. A warm welcome to our visitors Route One Rovers, their management team of Zaf Patel and Junyde Anis, their players, supporters, and today's match officials.

The reverse fixture earlier in the season didn't go our way, and Route One deserved their win on that day. But if anything, that match now serves as a reminder of how far we've come since those opening weeks. The progress this group has made - individually and collectively - has been outstanding, and today gives us another opportunity to show that.

Since our last programme, we produced an excellent performance in the 5-0 win over Appleby Frodingham, with a brace from Oliver Clarke - and goals from Harrison Rowley, Toby Stennett and Junayd Cassius-Gill. The energy, the movement, the aggression without the ball - it was everything we want to see from this team.

We were then frustrated with the result away at Maltby Main, especially after taking the lead through Harrison Rowley. It was a tight game

that swung on moments, and conceding late is always tough to take. But the performance wasn't far off, and the lads reacted well.

Last weekend's match against Ilkley Town being postponed wasn't ideal, but the week's rest might actually help us going into what is going to be a very demanding spell heading into the Festive Period and New Year.

Today's test will be a big one. Route One Rovers sit 11th in the table and have the league's top scorer in Zak Khan, who has already scored 32 goals this season. It's a threat we're fully aware of and prepared for. But we also trust our own strengths, our organisation, and our mentality.

As always, thank you for your support. You continue to lift the lads every week, and we'll be giving everything to make it another positive day at home.

THE CHAIRMAN

Good afternoon everyone, and welcome back to the Welfare Stadium for another NCEL Division One matchday. A warm welcome to Route One Rovers, their management team of Zaf Patel and Junyde Anis, and all travelling supporters who've made the trip over.

It's been another busy period for the club, both on and off the pitch. The first team produced a superb 5-0 win against Appleby Frodingham, followed by a battling performance away at Maltby Main where we took the lead through Harrison Rowley before unfortunately falling to two late goals. Then we had the frustration of last weekend's postponement at Ilkley Town, which nobody wanted, but if a week's rest helps us recharge before a busy run into the New Year, we'll take the positives from it.

What I really want to highlight today is the success of our academy pathway - which continues to be a real source of pride for us all.

Our U12s through to U16s all currently sit inside the top three of the Junior Premier League's top division. That's not luck - it's standards. It's the product of coaches who care, players who work, and a culture that demands improvement

every single week.

And a massive well done to our U11s, who won five out of five in their Winter Competitive Phase group and now move into the Northern Play-Off competitions. It's a fantastic achievement and reflects everything we're trying to build across the academy.

When you combine that with the performances of our Scholars and the development of players stepping into the first team - many of whom have scored and contributed in recent weeks - you can see the identity of this club strengthening across every level.

Thank you, as always, to our supporters, sponsors and volunteers. The atmosphere you create and the commitment you show are a huge part of why this club is moving forward the way it is.

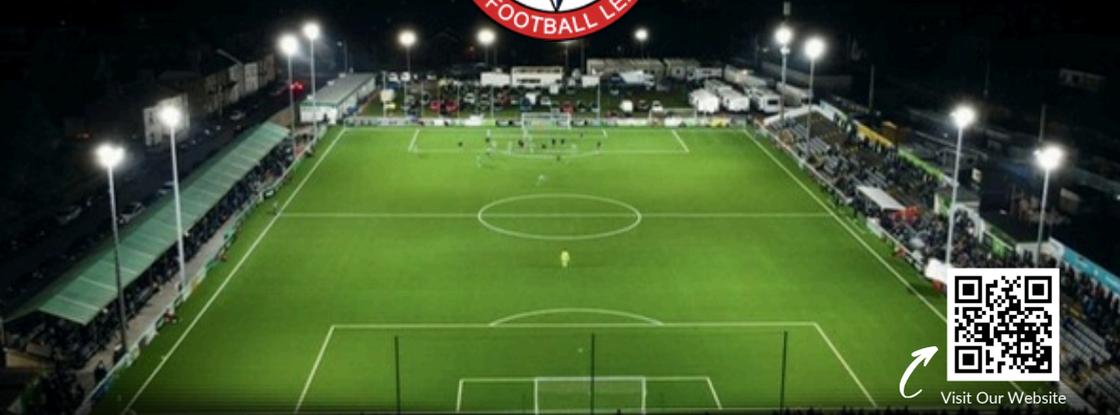

Enjoy the game!
