

OFFICIAL MATCHDAY PROGRAMME

LEEDS UFCA

Issue Five
vs Brigg Town
Tuesday 16th September 2025

THE GAFFER

Good evening and welcome back to the Welfare Stadium for today's NCEL Division One fixture. A warm welcome also goes to our visitors Brigg Town, their management team of Stephen McCarron and Martin Pembleton, their players and travelling supporters, as well as today's match officials.

It's been another positive couple of weeks for us. The 5-1 win over Athersley Recreation was an excellent performance, with goals shared across the group from Junayd Cassius-Gill, Omar Sanyang, Ify Ofoegbu and Fedel Ross-Lang. To then back it up with a hard-fought 3-3 draw away at Armthorpe Welfare showed great resilience and attacking threat once again, with Ify getting a brace and Jaydan Sandhu also finding the net.

The mood in the camp is really positive at the moment. The players are working hard, enjoying their football, and you can feel the confidence growing with every game. We've climbed into 8th place in the table with 14 points from nine games, and we're determined to keep pushing on and continue this good run of form.

Today's opponents Brigg Town will provide another tough test. They're a side with quality, and last weekend's 2-1 win over Wakefield AFC shows what they're capable of. We'll need to be at our best, but the focus for us is on building consistency and turning this momentum into a sustained run.

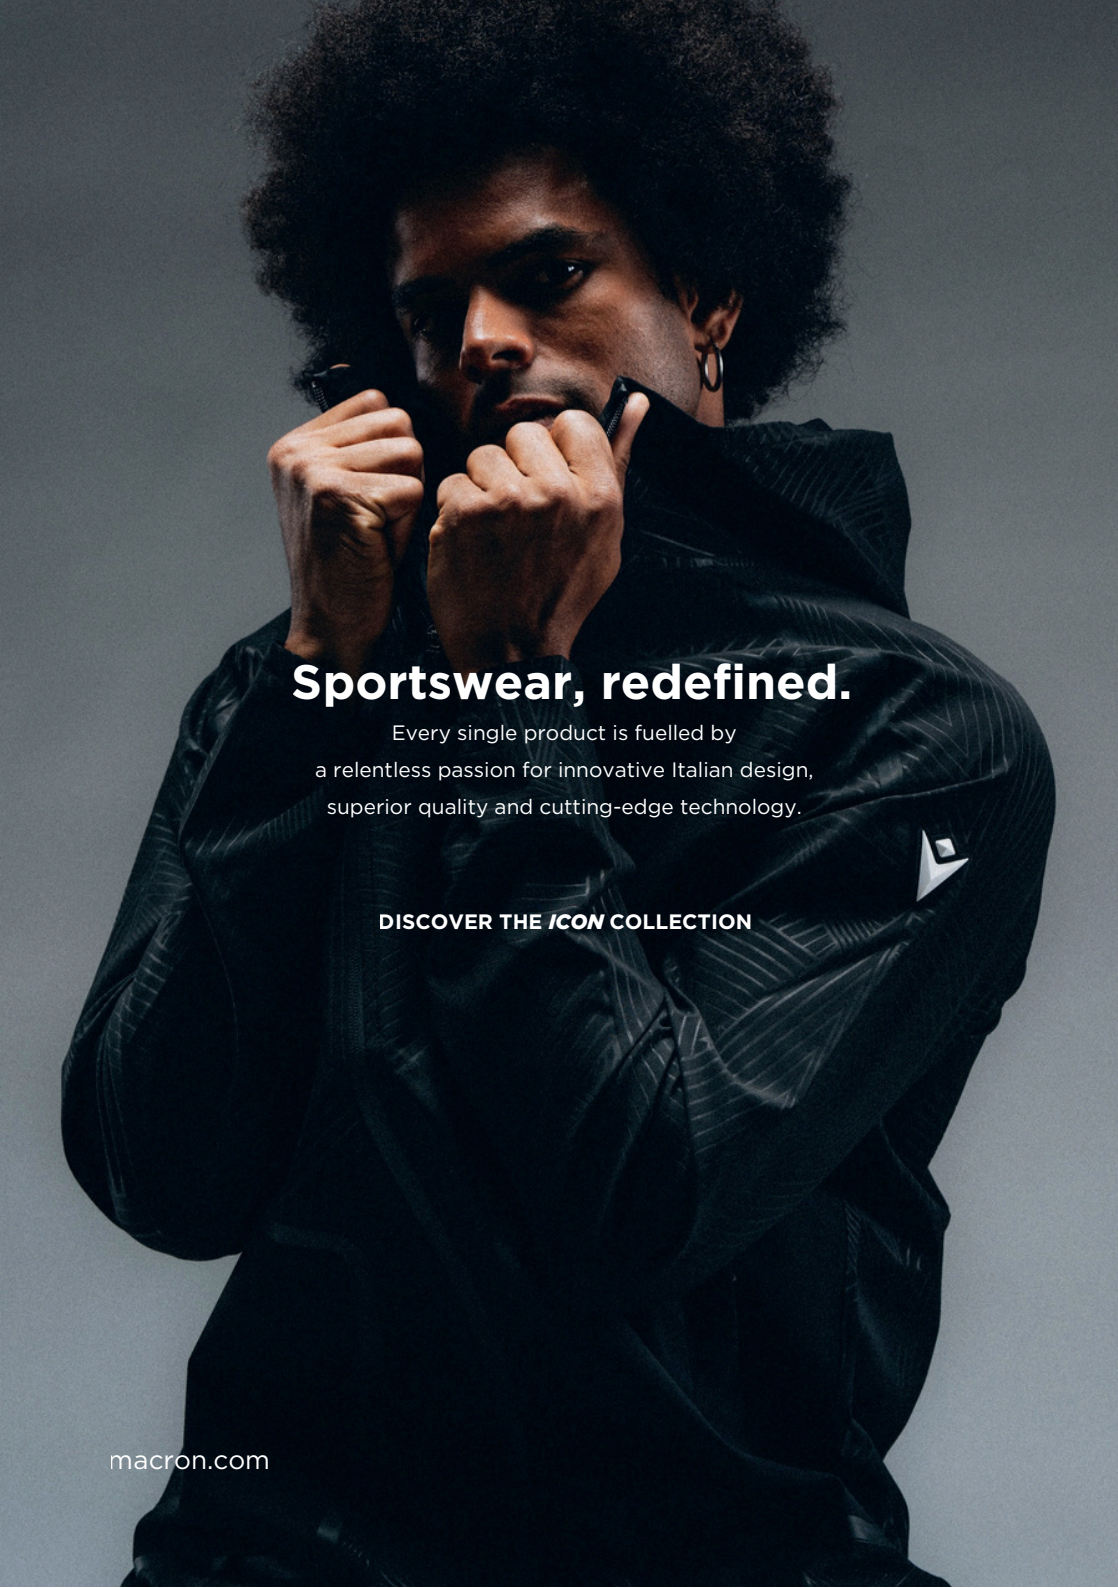

As always, thank you for your support. It really does make a difference to the players, and it's been fantastic to see the backing we're getting home and away. Let's keep that energy going today and make this another occasion to remember.

Enjoy the game,

THE CHAIRMAN

Good evening everyone and welcome back to the Welfare Stadium for what promises to be another lively NCEL Division One fixture. A warm welcome to Brigg Town, their management team of Stephen McCarron and Martin Pembleton, their players, supporters, and of course today's officials.

It's been a good couple of weeks for us. The 5-1 win against Athersley Recreation was a joy to watch - and to follow it up with a 3-3 draw at Armthorpe Welfare showed we're not just about one-off performances, we're starting to string things together. It's always nice to see goals spread around too. Omar, Ify, Jaydan, Junayd and Fedel all getting on the scoresheet recently is a reminder that we've got plenty of lads capable of making the difference.

We've now nudged ourselves up into 8th place with 14 points, which is no small achievement given where we started. The mood in the camp is great, confidence is growing, and the lads are proving they can compete week in, week out.

That said, today's opponents Brigg Town won't make things easy. They had an impressive win

over Wakefield AFC last time out, so they will be coming here with their tails up. But that's the beauty of this league - there are no easy games, and it keeps us all on our toes (and occasionally out of our seats!).

I also want to give another big thank you to all our supporters, sponsors and volunteers. Whether you're backing us from the stands, on the pitch boards, or behind the scenes, you're helping build something special here. And it really does feel like we're building a proper community around Leeds UFCA - one result, one drink, one programme article at a time!

Enjoy the game, keep cheering, and let's see if we can keep this run going.
