Issue Twelve  
vs Louth Town  
Saturday 13th December 2025

**Good afternoon and welcome back to the Welfare Stadium for our final home match of 2025. I'd like to extend a warm welcome to our visitors Louth Town, their manager Carl Martin, players, staff and all travelling supporters.**

It's been another positive couple of weeks for us. Unfortunately, our scheduled fixture against Harrogate Railway at the end of November was postponed due to a waterlogged pitch, but we picked up exactly where we left off with a hard-fought 2-1 win away at Glasshoughton Welfare last weekend. Goals from Omar Sanyang from the spot and new signing Kevin Gonzalez earned us the three points, and I thought it was another mature, disciplined performance from the group.

That result means we've now won five of our last six league games, which is an excellent return. Only Harrogate Railway have a better record over that period, which again shows the progress we're making on the pitch.

It's also important to highlight the work being done across the club. Our Under 11s were crowned JPL Yorkshire Champions last week -

after a brilliant 5-3 win over Soccer Hub. Massive credit to Coach Connor and all the players - it's a fantastic achievement and something they should all be proud of. They now face Chorley in the Northern Final today - and we wish them the best of luck!

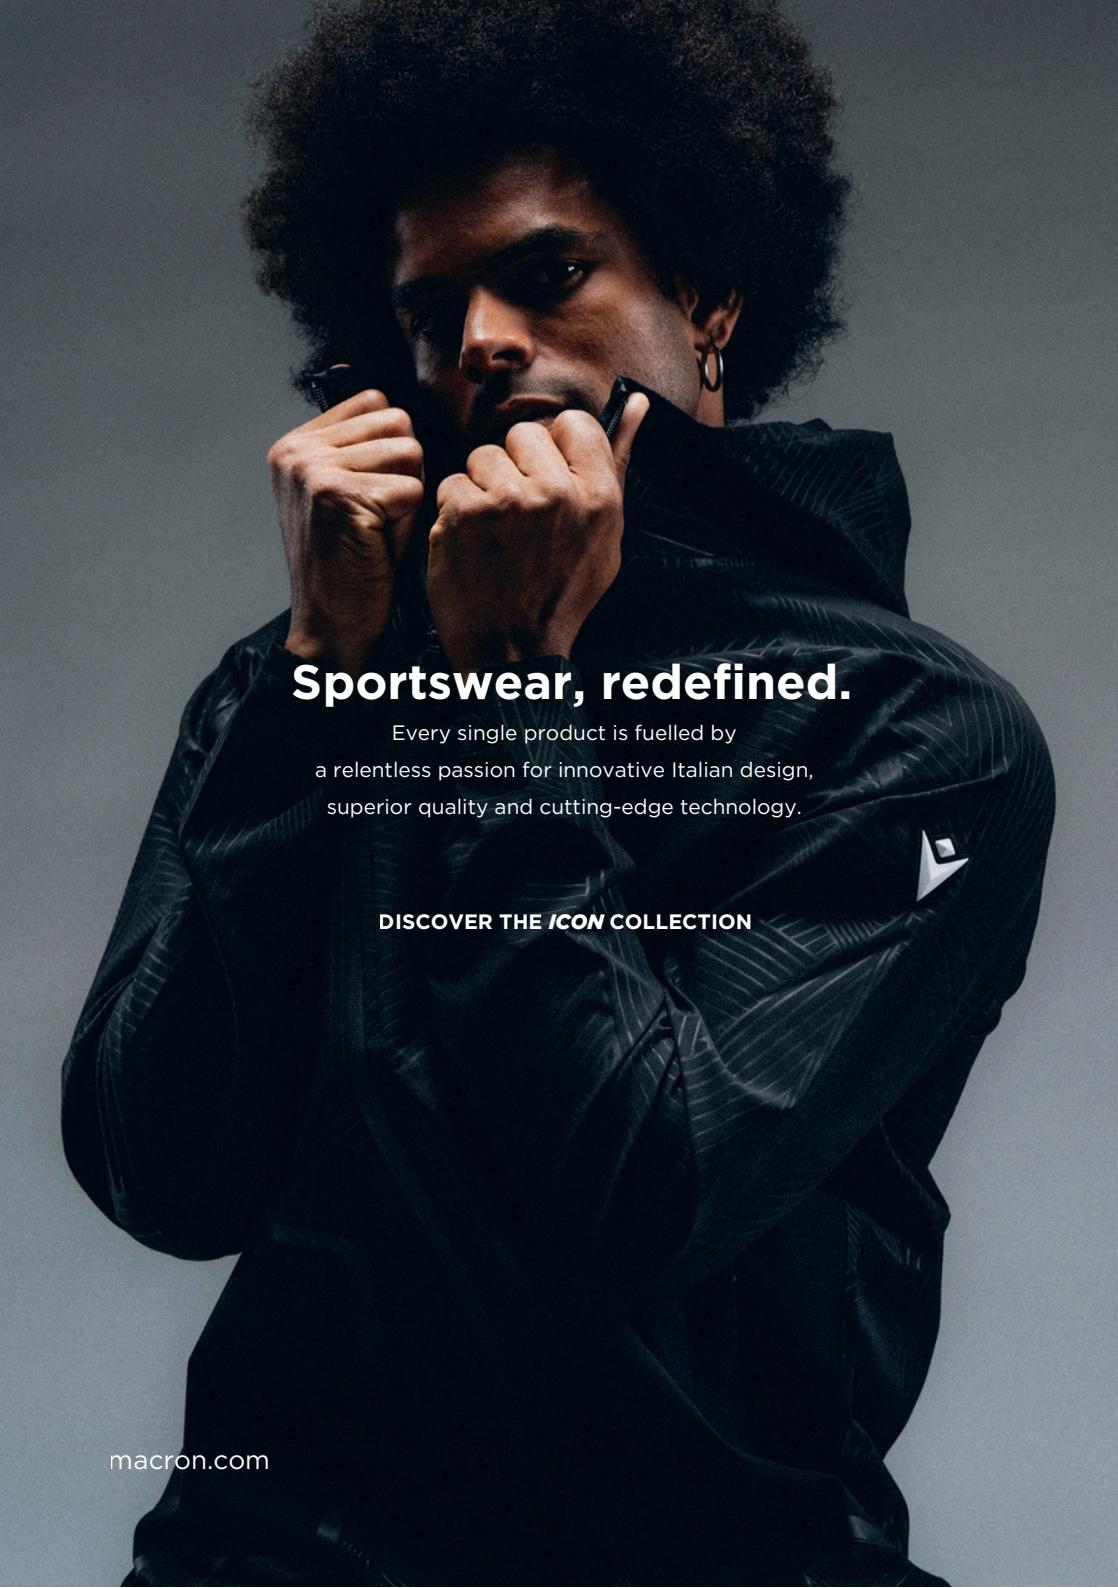

Being our final home match of 2025, I also want to say a huge thank you to everyone connected with the club - supporters, volunteers, sponsors, families. Your support plays a massive role in everything we do.

Enjoy the game, have a brilliant Christmas and a Happy New Year, and we look forward to pushing on again in 2026.

# THE CHAIRMAN

**Good afternoon everyone, and welcome to our final home fixture of what has been a remarkable and memorable year for Leeds UFCA. A warm welcome as always to today's visitors Louth Town, their manager Carl Martin, and all supporters who have made the trip.**

I want to start by talking about the wider club, because this has been a year where our pathway has really shown its strength. Last weekend, our Under 11s became JPL Yorkshire Champions, winning 5-3 in a brilliant final against Soccer Hub. They now move on to face Chorley FC in the Northern Final - a huge achievement for that age group. Well done to Coach Connor and all the players involved.

Our older age groups have also continued to impress, and it's been fantastic to see academy graduate George Pratt making his mark in the Championship for Blackburn Rovers. George was with us from U10s to U15s, and it's a proud moment to see him now thriving at senior level.

On the first-team front, our match against Harrogate Railway was washed out, but we

responded well with a 2-1 win away at Glasshoughton Welfare, thanks to Omar Sanyang and "new" signing Kevin Gonzalez. That result keeps up what has been a brilliant run of form - five wins in our last six league games, one of the best records in the division.

As this is our last home programme of 2025, it's important to reflect on just how far we've come. This time last year we were battling for promotion in the Yorkshire Amateur League - now we're competing confidently in NCEL Division One, building momentum, developing players, and strengthening the club at every level. It's been an incredible journey, and the future looks very bright.

Finally, thank you to everyone who has supported us throughout the year - supporters, sponsors, families, volunteers.

Have a wonderful Christmas and a Happy New Year. Here's to an exciting and ambitious 2026 for Leeds UFCA.

## GEORGE PRATT MAKES ROVERS DEBUT

Congratulations to former UFCA player George Pratt, who made his debut for Blackburn Rovers against Preston North End in the Championship last week. George spent six years with UFCA before signing for the Lancashire club in 2018 - after impressing during a showcase fixture against their Under 15s side. The rest is history!
