

OFFICIAL MATCHDAY PROGRAMME

LEEDS UFGA

Issue One
vs Glasshoughton Welfare
Saturday 2nd August 2025

THE GAFFER

Good afternoon and a very warm welcome to the Welfare Stadium for what is a historic occasion - Leeds UFCA's first-ever home game in NCEL Division One. It's fantastic to see so many supporters here today, and I'd like to extend that welcome to the match officials, our visitors, their players and coaching staff who have made the trip to be with us this afternoon.

Last weekend's opening fixture against Route One Rovers was a tough one, and while the result wasn't what we wanted, it provided the group with a real learning experience. The response from the lads this week has been excellent - their attitude in training and their hunger to put things right has been exactly what we want to see as a club stepping into this level. We know where we need to improve, and we're ready to show our character today.

Looking at the bigger picture, it's incredible to see how far this project has come. To now be competing in NCEL Division One is a massive achievement for everyone involved with Leeds UFCA. The hard work behind the scenes, the commitment from the players, and the support

from the wider community has been outstanding - and we're just getting started. There's a real sense of excitement around what this team can do this season, and we're determined to make our mark in this league.

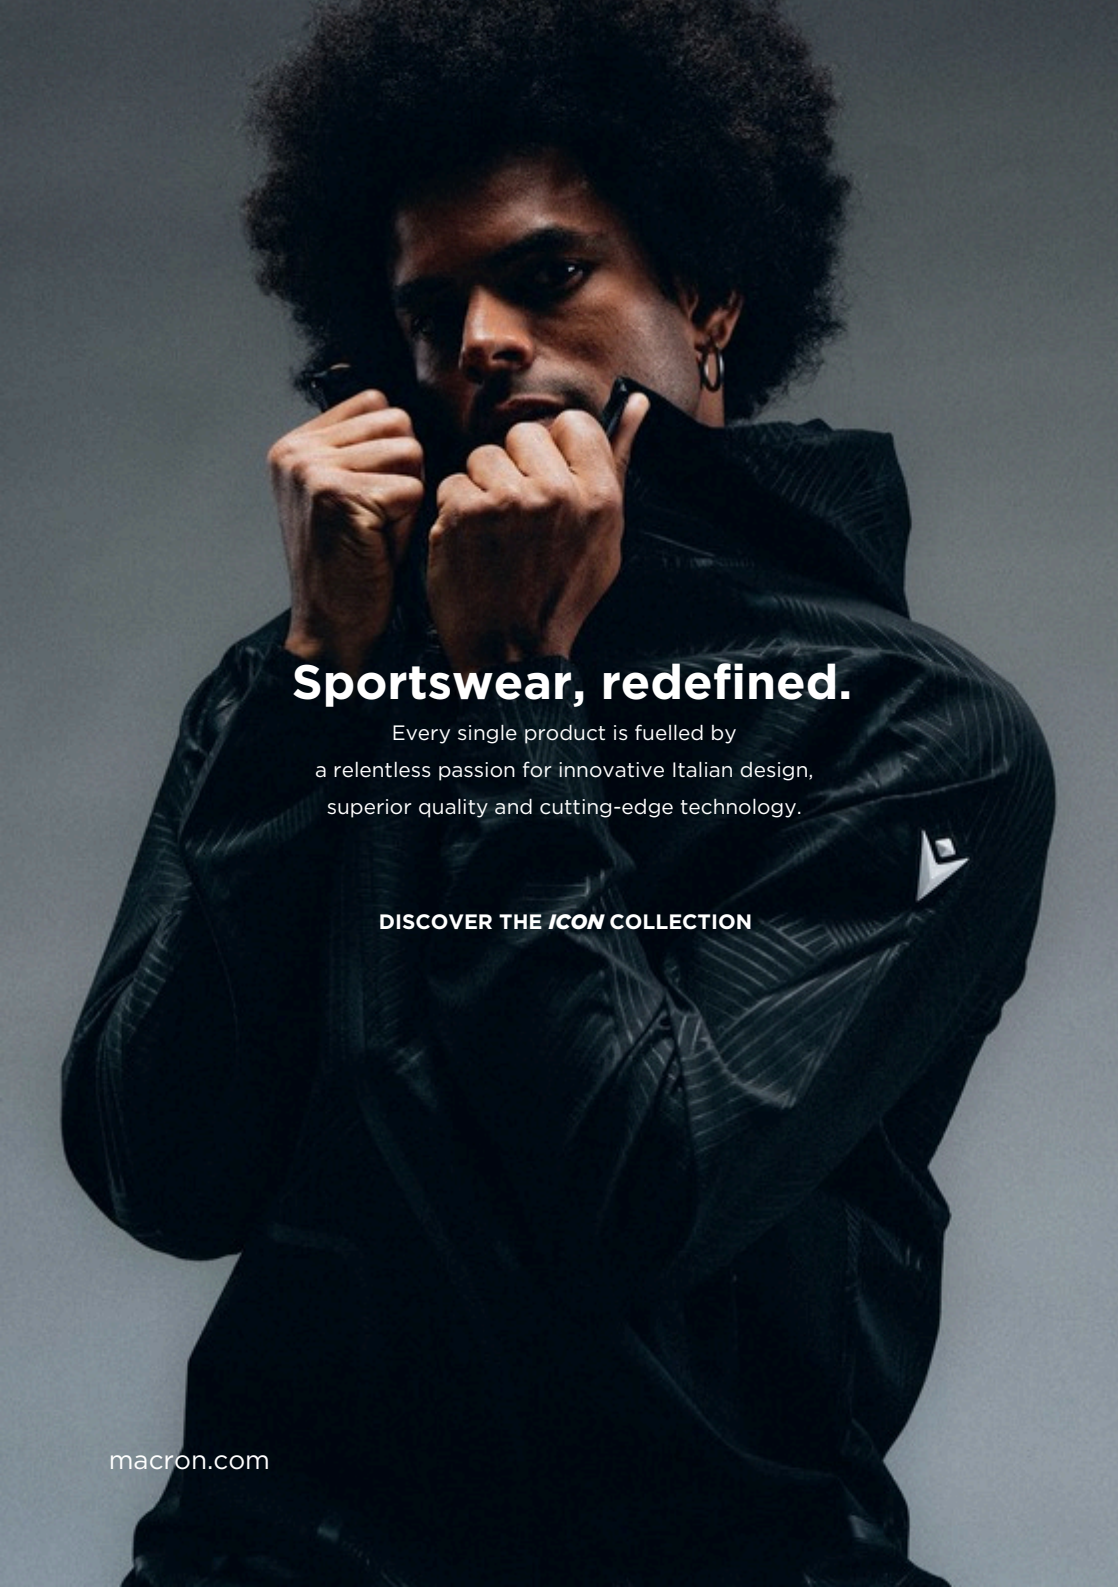

We're also delighted to be playing our home fixtures here at the Welfare Stadium, thanks to our partnership with Nostell Miners Welfare. It's a fantastic facility and one that gives us a brilliant platform to perform and grow as a club. We're proud to call this our home.

I hope everyone enjoys today's game, and thank you for your continued support.

THE CHAIRMAN

Good afternoon everyone, and welcome to the Welfare Stadium for Leeds UFCA's very first home fixture in NCEL Division One. It's a proud day for everyone associated with the club, and it's fantastic to see so many supporters here to share this moment with us. I'd also like to offer a warm welcome to today's match officials and to Glasshoughton Welfare - who we look forward to hosting this afternoon.

While last week's result against Route One Rovers wasn't what we were hoping for, it's important to remember this is a new chapter for the club, and every step is part of the journey. The feedback from our coaching staff and players has been incredibly positive - lessons were learned quickly, and the response on the training ground has been first-class. We know this group will grow stronger with every game.

Reflecting on how far we've come in a short space of time is truly remarkable. Leeds UFCA started as a vision - a long-term project built on developing players and giving them a platform to succeed. To now be competing at Step 6 of

the football pyramid in NCEL Division One is a testament to the dedication of everyone involved. From our players and coaching staff to the volunteers and supporters, it's been a real team effort to get to this point.

We're extremely grateful to Nostell Miners Welfare for their support and partnership, allowing us to call the Welfare Stadium our home this season. It's a superb facility and the perfect environment for us to continue building both on and off the pitch.

Thank you for being part of today's occasion. Enjoy the match, get behind the lads, and let's make this a memorable season for Leeds UFCA.
